

# ROLLER TOOL CABINETS

EGA MASTER roller cabinets are the ideal solution for tool storage in industrial environments, providing extra resistance and longer durability. Designed for the most demanding use, they offer smooth movement and maximum load capacity.

**1.** Manufactured in high-quality steel.

**2.** The central locking system ensures maximum anti-theft security and prevents undesired opening of the cabinet.

**3.** The reinforced heavy duty structure provides 300Kg of static capacity.

**4.** Different size drawers provide the maximum versatility for tool storage. Equipped with ball bearings to ensure smooth and comfortable operation.

**5.** Includes a top tray which offers more storage space.

**6.** Four tough castors enable smooth transportation, two of them have brakes and swivel.
