

61615 DESERT TROPICAL FR COVERALL

FLAME RESISTANT

ELECTRIC ARC FLASH

ANTI-STATIC

Shoulder pleats maximize range of movement, ensuring wearers are able to move around with more flexibility and comfort on the job.

Material

Daletec®, (Quality 15, 502251), FR98% Cotton, 2% Carbon, 6.5oz/yd²/ 220g/m²

Flame retardant for life.

Daletec® Fabric is lightweight and breathable, and performs well in a variety of climate applications. It is especially well-suited for hot or humid applications. Unlike many FR fabrics that burn only after a few washes, Daletec® Fabrics are certified to remain FR through 100 washes, the highest certification in the industry. Flame-resistant characteristics last throughout the fabric's lifetime, regardless of washing frequency when care instructions are followed.

Sizes

32-70, Short/Reg/Tall/XTall

Compliance

- IEC 61482-2 (Class 1), EN 1149-5, EN ISO 11612
- STANDARD 100 by OEKO-TEX®
